SEAMLESS SETTINGS

Set the scene with Southern Aluminum's seamless banquet round and oval tables. Our linenless round tables provide a stylish, safe, and sanitary surface for all of your banquets and events. The modern, yet timeless, structure of the A-leg design captures the mood of the posh banquet space. The seamless, linenless characteristics of our round tables provide a powerful peace-of-mind taking only seconds to sanitize, eliminating the need to launder linens between use saving both time and money.
