VERGE

A DYNAMIC COLLECTION

DYNAMIC ACTIVATION

VERGE event table is designed to be purpose-driven for any occasion. Style with benches for dining and celebrations or use it as a standalone buffet table, indoors or out.

PICNIC TABLE

OUTDOOR READY

From seaside and beachside settings to rugged terrain, VERGE is designed to withstand the elements of outdoor everything. Choose between a UV protected powder coat finish, or the option of a sublimated top and bench with a faux wood design, VERGE is stylistic yet durable and poised to complement many different venues and spaces.

A NEW LINE OF INDOOR & OUTDOOR LINENLESS TABLES

VERGE is Southern Aluminum's latest innovation. Dynamically designed for both indoor and outdoor use, VERGE is a collection of event and picnic style tables. This new collection will effectively outfit outdoor dining, venue spaces, or recreational areas with modern appeal. VERGE is constructed from high-grade aluminum making it stronger and longer lasting for all-weather purposes. Available in durable UV protected powder coat finishes and optional sublimated surfaces, VERGE is poised to elevate the style and design of any setting.

BENCH

MODERN STYLE WITH DECORAL SYSTEMS®

Decoral Systems USA® powers the stylistic design of faux wood finishes on VERGE through aluminum sublimation technology. Rigorously tested for all weather conditions, these finishes are low maintenance, do not splinter, and are eco-friendly.
