

Remarkable
T A B L E S™

Who needs paper?

Conserve paper, money, and the environment with the creatively inspiring Remarkable Tables™. A white, high-performance finish allows you to write directly on the table top with dry-erase markers and wipe off cleanly in seconds. These “green” aluminum tables are ideal for learning and creative environments.

AluGraphix

Get Inked

Personalized with any favored image or logo, AluGraphix Tables are a unique approach to make these maintenance-free tables the highlight of the event. Using a unique finishing process, graphics are printed on Swirl Tables. Forget about dull moments because AluGraphix is sure to be the center of attention at any gathering.*

Pick Your Own

Customize your table with your own logo.

Marketing Tool

Utilize this marketing tool to promote and advertise.

Easy Mobility

Table trucks provide protective stacking and storing.

* Must obtain approval to print copyrighted logos. Minimum order of 12 tables required.

Specifications

Sustainability

Aluminum extrusions contain 70% recycled aluminum; 10% is post-consumer content, and 60% pre-consumer content. Southern Aluminum products are recyclable. All aluminum components are smooth finish high strength alloy 6063-T6 extrusions unless otherwise noted.

Table Top

All top surfaces are .080" thick with primary stiffener ribs and have 1½" profile edges (Lifetime Warranty) or 1" profile edges (15-Year Warranty). Table tops are constructed of individual boards bolted together and have longitudinal seams. Table tops will not crack or warp after extended usage or exposure to heat, moisture or sunlight. Tables have permanent scratch-resistant stacking bumpers attached to the legs to prevent damage when stacking.

Product Care and Maintenance

To protect table top finish, handle all tables with care during set-up or take down. Dropping or dragging table tops on concrete or other rough surfaces will scratch the finish. For tough stains and sanitation, clean after every use with mild soap and water or nonabrasive household cleaners, such as Windex®, Mr. Clean®, or Fantastic®. Appropriate care for your tables will not only maintain excellent condition, but also prolong the surface finish.

Lifetime Written Warranty

Southern Aluminum's expertise in design and manufacturing has always set the highest standards in our markets and we want you to be confident in our time-tested and functionally proven products. Because of our thirty (30+) year track record and know-how, we guarantee our products under normal use and normal conditions for as long as you own the products. This includes the functional and mechanical performance of each product used as it is intended and/or with the conventional purposes these product types are made for.

In the unlikely event of a warranty issue after your products are in use, we will replace or repair the product(s) at our discretion or choice depending on the nature of the problem.

We value your investment in Southern Aluminum products and we will stand behind our word to provide you with exceptional products and service.
