About Us

Southern Aluminum is the leader and innovator of linenless meeting, event, and banquet tables and hospitality furniture. Unlike typical folding table manufacturers, Southern Aluminum provides a combination of extraordinary customer service and durable lightweight tables which promise to increase your ROI.

After forty years of business, Southern Aluminum has grown exponentially and, might we add, still growing. A continuing relationship with our customers keeps us motivated and is the reason we do what we do. Our objective is to consistently and methodically exceed our customer's expectations through high-quality design and superlative customer service. Through our knowledge and experience, we provide our clients what they really want.

Our passion is innovative, sustainable design that our customers have come to expect from us. Whether it's our signature Swirl® option, our revolutionary T2 Table™ or a customized project, we are constantly trying to improve the linenless solutions we provide. That's why most of our customers are repeat and referrals.

And this will always be what moves us forward.

Successful Meetings

These beautifully crafted “two in one” tables boast the quality and style expected of luxury meeting furniture. The lightweight foundation is designed to support up to 3000 lbs., but the surface tells a captivating story of luxury and grace. Its aluminum top is cloaked in a scratch-resistant laminate that comes in many different colors and textures to coordinate with your décor. Sturdy legs have a durable powder coated finish, and the tabletop’s edge is protected by a resilient vinyl perimeter. Aside from its elegant profile and strong bones, the table’s most notable features are its drop-down modesty panel and optional integrated power supply.
