

The Linenless Table Company

Media Podium

Podium Substrate

The frame and base are made of high strength alloy 6063-T6 extruded aluminum. The panels and top surface are a $\frac{3}{8}$ " thick compact laminate. Painted surfaces are thermal set powder-coated finishes and have the hardest surface and maximum scratch/mark resistant qualities in the industry. Fasteners are aluminum and/or zinc-plated steel.

Podium Top

Podium top measures 18" wide x 21" deep with a covered grommet mounted on the left-hand side with a $\frac{1}{2}$ " paper lip.

Podium Pedestal

Podium features a $14\frac{1}{2}$ " wide x 12" deep compact laminate shelf and paper tray. Panel is attached to top and base with zinc-plated fasteners. Total podium height is $50\frac{1}{2}$ " high.

Podium Base

Base surface is a ribbed vinyl mat with grommet hole. Rubber podium feet are $\frac{3}{4}$ " outer diameter x 1" high. Caster wheels are $\frac{3}{4}$ " x $1\frac{5}{8}$ " for easy maneuvering.

Display Features

The media screen is a 32" wide monitor with a 1920 x 1080 full HD resolution with a contrast ratio of 4000:1. It has 3 HDMI inputs and 2 USB A inputs with Bluetooth and Wi-fi connectivity. The screen is protected by a $\frac{1}{4}$ " polycarbonate shield that is scratch, impact and UV resistant.

Power Options

The podium is outfitted with a surge protector including 4 standard outlets and 2 USB A outlets, an 8' extension cord and integrated cord wrap for cord management and storage.

Sustainability

Aluminum extrusions contain 70% **recycled** aluminum; 10% is post-consumer content, and 60% pre-consumer content. Southern Aluminum products are 100% recyclable. Laminate is **GREENGUARD** certified for low emissions.
